JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

his work on folk-lore in Persia, and to V. N. Perets, for ethnographical work. The Semenoff medal was given to L. I. Brodovsky, for the map of Manchuria which he has compiled. Small gold medals were given to A. K. Kuznetsoff, for the work he has done in the museum of the Chita (Transbaikalian) section of the Geographical Society; to V. H. Ladyghin, for his work during the Kozloff Tibet expedition; and to L. S. Berg, for his exploration of Lake Aral. A number of silver medals for various minor works were given to several persons. The greatest achievement of the Geographical Society was the visit to Lhasa by a member of the society, the Buryat Lama, M. Tsybikoff, who has also been at a number of monasteries in Tibet, and has brought back 319 volumes of various works of Buddhist philosophy, medicine, history, and so on.

UNIVERSITY AND EDUCATIONAL NEWS.

Professor Hugo Münsterberg announces that the sum of \$150,000 for the Emerson Hall of Philosophy, Harvard University, has been secured.

The University of California has received from Mr. W. M. Pierson a telescope with an eight-inch lens, and from Mrs. A. S. Halliday \$500 for the library of mechanical engineering.
